In re Application of  
SEVERINSSON, Lars  
U.S. Application No.: 10/507,296  
Filing Date: 09 September 2004  
Attorney Docket No.: 3370-P0084A  
For: A DISC BRAKE

DECISION ON PETITION  
UNDER 37 CFR 1.137(b)

This decision is in response to applicant's "Petition for Revival of an Application for Patent Abandoned Unintentionally under CFR 1.137(b)" filed 09 September 2004 in the above-captioned application. The petition fee under 37 CFR 1.17(m) has been paid.

BACKGROUND

On 21 February 2003, applicant filed international application PCT/SE03/00290 which claimed priority of an earlier application filed 21 February 2002. Pursuant to 37 CFR 1.495, the deadline for payment of the basic national fee in the United States was to expire 30 months from the priority date, 21 August 2004.

On 09 September 2004, applicant filed the present petition to revive pursuant to 37 CFR 1.137(b) accompanied by a continuation application.

DISCUSSION

A petition under 37 CFR 1.137(b) requesting that the application be revived on the grounds of unintentional abandonment must be accompanied by (1) the required reply, (2) the petition fee required by law, (3) a statement that the, "entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional" and (4) any terminal disclaimer and fee pursuant to 37 CFR 1.137(c) (where required).

Regarding item (1), applicant has supplied the proper reply in the form of the filing of a continuation application.

As to item (2), the petition fee has been submitted.

With regard to Item (3), applicant's statement that "entire delay in filing the 35 U.S.C. 371(c) requirement from their due date until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

As to Item (4), the terminal disclaimer is not required since this application was filed after 08 June 1995.

**CONCLUSION**

Applicant's petition to revive for the purposes of continuity only is **GRANTED**.

International application PCT/SE03/00290 is being revived for purposes of continuity only and since continuity has been established by this decision reviving the international application, the international application is again abandoned.

This application is being returned to the Office of Initial Patent Examination (OIPE) for processing as an application filed under 35 U.S.C. 111(a).
